NOTES

1. In this issue of the Navy Register all officers on the active list of the Navy have been credited in the column headed "Prior service" only with that prior service which may be counted in the computation of pay in accordance with the act of June 10, 1922.
2. With reference to officers of the line on the active list of the Navy who are not graduates of the Naval Academy, and to all officers of the Staff Corps, and all warrant officers, the date of acceptance of permanent appointment is shown in the column headed "Date of entry" in lieu of the date of rank on original appointment, this procedure has been followed in view of the fact that the date of acceptance of appointment is the actual date of entry.
3. It is believed that this procedure will be of assistance to officers of the Supply Corps, and will reduce the number of statements of service now being furnished by the bureau.
4. Errors or omissions should be immediately reported to the Bureau of Navigation by the officer concerned.
5. The signal numbers herein shown, preceding each officer's name, are effective from July 1, 1927, to June 30, 1928, inclusive, for use in signals and dispatches.

TABLE OF RUNNING MATES

The following table shows all staff officers appointed to the Navy prior to 4 March, 1913, together with their line running mates assigned in accordance with the act of 10 June, 1926. Staff officers become eligible for selection to the next higher rank when their line running mates or officers junior thereto have been selected for promotion to such higher rank:

RULES FOR DETERMINING PRECEDENCE OF STAFF OFFICERS COMMISSIONED PRIOR TO 4 MARCH, 1913

(a) When of the same rank as their running mates, such staff officers take precedence with other line and staff officers of the same rank from the dates stated in the commissions of their running mates in said rank.

(b) When of a rank higher than that held by their running mates and until their running mates have been selected for the higher rank, such staff officers take precedence with all other line and staff officers of the same rank in accordance with the date stated in the commission of the junior line officer in such higher rank.

(c) When of a rank lower than that held by their running mates, such staff officers take precedence with all line and staff officers of the same rank in accordance with the dates stated in the commissions that had been held by their running mates in such lower rank.

(d) Officers of the line and staff corps having the same rank and the same date of precedence in that rank take precedence in the following order: (1) Line officers; (2) medical officers; (3) officers of the supply corps; (4) chaplains; (5) naval constructors; (6) civil engineers; (7) dental officers.

(e) Staff officers hereafter assigned new running mates shall have, with respect to other staff officers who also have as their running mates the new running mates so assigned, the precedence held by them prior to the assignment of such new running mates.

NOTE.—The absence of a date of precedence opposite the name of any line officer in this table indicates that such line officer is serving in a rank higher or lower than that held by the staff officers to whom he has been assigned as a running mate.
